

She Kills Monsters

Character Breakdown

Agnes- 18ish. Tilly's older sister. At first an average girl, of average height, of average weight, and average build. In her Senior year, she discovers Tilly's D&D book and wants to get to know her sister in ways she didn't before. In doing so, she opens up herself to new opportunities and new, daunting worlds both real and fictional.

Tilly- 15ish. A nerdy tomboy and closeted lesbian in who is obsessed with Dungeons and Dragons; famous among the geek crowd at her school. In the world of D&D, she's a level 20 Paladin, Healer of wounds and protector of lights; spunky and powerful.

Chuck- A dorky freshmen, outspoken but self-aware nerd who loves all things geek. He is employed at the local game store by day and is a Dungeon Master by trade. Han Solo is his idol and he's going to really hate *The Phantom Menace* when it comes out in 1999.

Miles- 18ish, Agnes' boyfriend, not at all into "nerd culture". He is a football player, and very sweet. He tries very hard, that golden retriever, average square kinda guy who can come off as being very frat. He genuinely loves Agnes and is a caring dude.

Lilith/ Lily- 16ish. Lilith the Demon Queen acts as her party's muscle, has probably been alive for eternity, is very hot, and Tilly's girlfriend. Also very sarcastic, serious, and perhaps violent. Her player, Lily, is alot quieter, a closeted teen in Ohio just trying to get by.

Kalioppe/ Kelly- 15ish. The Dark Elf Kalioppe is a magic-user, and all-around ass-kicker. She's athletic, a waywatcher and navigator. Very analytical, She gives off earthy druid vibes. In real life, Kelly is much more restricted and nervous, though truly just as smart and analytical as her character. Ronnie is her brother.

Orcus/ Ronnie- 17ish. ORCUS THE DEMON PRINCE has probably been alive for eternity so it's fair that he's now the Former Overlord of the Underworld and currently a couch potato. If there's a lost soul, he'll either have it... or at least know where it is. He's the comedic relief of the party. In the reality, Ronnie is a normal sloppy teenager, his sister is Kelly.

Vera/ The Beholder- 18ish. Agnes's best friend and fellow cheerleader, but would rather be as far away from sparkly pom-poms as humanly possible. She clearly is only a cheerleader because Agnes is one and supports her bestie in the way only the sardonic and sarcastic can. Criticism! But she is always right!

The Great Mage Steve- 15ish. Mage. Adventurer supreme. Steve is here for a fun time, not a long time. He's also a dork. You've met him just by reading this description. If the setting wasn't 1995, he would tell you he has the power of God and Anime on his side. Classic Steve.
