REQUEST TO MISS REHEARSAL

All conflicts with the rehearsal schedule are due no later than the First Rehearsal. If other non-emergency conflicts occur during the rehearsal period, you must complete this form and give it to the Assistant Director, Stage Manager, or bring it to the office or FAX it to the office.

Please look over the call sheet that will be provided at the parent meeting, and list all conflicts **including** those you listed on your audition form.

All conflicts must be approved by the Director and the Producer. Numerous conflicts or missing key rehearsals may reduce your involvement with the production.
